## PROPOSED RABBINICAL COLLEGE OF TARTIKOV PROGRAM SCHEDULE

(“Sections” refers to provisions of the *Shulchan Aruch*)

- a. The study of the Shulchan Aruch may be supplemented as needed, by studying and referencing additional Religious Commentaries and Sources.
- b. Toward the end (last two years) of the Choshen Mishpat study, students would sit and observe, and later on participate, in cases brought before the rabbinical courts. The same would also be done toward the end of the Yora Diah Even Ha’Ezer study.
- c. On Friday night (Sabbath) and on Sabbath afternoons the students will attend a “schmooze” or “shmuz” an ethical talk/lecture, given by the campus rabbis/teachers, on Jewish ethics and philosophy that is essential in the learning program for future rabbinical judges.
